### **Celebrating (Not So) Spooky Season at Foundation for Blind Children**

*Trick or treating, costumes, and Games on Tap for FBC Students*

Phoenix—Foundation for Blind Children (FBC) is hosting a fall festival for it's preschool and elementary students and their families. Join FBC for some holiday fun as we decorate the campus, dress up in our best costumes, and enjoy some tricks and treats.

This event will allow students of all abilities to join in on the festivities. Along with the normal fall fun, different sensory activities will give students the opportunity to explore new textures and sensations in a fun and safe environment.

"FBC themed events allows our students and families an opportunity to express their creativity and experience accessible holiday fun for everyone," said Christie McElfresh, FBC's Youth Services Manager, "We enjoy providing a rich sensory experience that can be easily duplicated by families at home."

Where: Foundation for Blind Children, 1234 E. Northern Ave, Phoenix, AZ 85020

When: Tuesday, October 31, 9:30-11:30 AM

#### **About Foundation for Blind Children**

the [Foundation for Blind Children](#) provides Education, tools, and services to create opportunity for anyone with vision loss to achieve greater independence. FBC serves the blind and visually impaired of all ages, from birth to currently 104 years old. With three Valley locations (East, West and Central Phoenix), we strive to be "the" community resource for blind, visually impaired, and multiply disabled children, adults, and their families. We believe that vision loss is a diagnosis, not a barrier.
